Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Anoka County Attorney's Office	Anoka County seeks to develop a Criminal Pre-Charge Diversion program. It provides an opportunity to keep a clean criminal record and connect the Defendant with appropriate services. It holds the Defendant accountable for violating the law but doesn't unduly punish them.	Anoka County MN	\$89
Beltrami County	The Minnesota Department of Corrections (DOC) has threatened to shut down the Beltrami County Jail unless the County makes significant efforts to improve the current jail or construct a new facility.	Bemidji MN	\$50,000
City of Duluth	Equipment for crisis intervention to adequately support citizens going through mental health crisis, that require a law enforcement response. Tools will provide the ability to communicate and assess situations, therefore providing the best possible de-escalation and intervention.	Duluth MN	\$1,710
Eden Prairie Police Department	The Eden Prairie Police Department is seeking funds to purchase a replacement Mobile Command Center (MCC) to be used to respond to critical events, natural disasters, annual community events, regional emergencies or as requested by city and regional partners.	Eden Prairie MN	\$1,140
City of Farmington	The funding would be used to erect a fence around the Farmington Police Department property. The building is on a very visible and vulnerable corner, and the property has little security.	Farmington MN	\$869
Criminal Justice Network (CJN)	The funding would be used to create a state-of-the-art records management system (RMS) for law enforcement in Minnesota, by joining the Criminal Justice Network partner agencies in Dakota County.	Inver Grove Heights MN	\$1,500
City of Lakeville	A regional public safety training facility would help ensure our safety personnel have the highest degree of training possible to serve the public.	Lakeville MN	\$800
Le Sueur County Sheriff's Office	Le Sueur County needs to implement a new Records Management (RMS), Computer Aided Dispatch(CAD), and Jail Management(JMS) software program that will fulfill the requirements of daily operations of a public safety entity.	Le Center MN	\$500
City of Le Sueur	As part of the required upgrade for all law enforcement and emergency services radio equipment to encryption-ready technology, the Le Sueur Fire Department must acquire substantial new equipment.	Le Sueur MN	\$300
City of Minneapolis	This request would allow the City of Minneapolis to expand an evidence-informed approach that uses Violence Interrupters to interrupt cycles of violence. The initiative is one component of the City's multifaceted approach to reducing the impact of violence.	Minneapolis MN	\$2,500
Hennepin County Sheriff	This project will allow the Hennepin County Sheriff's Office – Forensic Science Laboratory (HCSO -FSL) to purchase two light comparison microscopes (LCM) and one 3D virtual comparison microscope (VCM) for the laboratories Firearm Section.	Minneapolis MN	\$425
Metro Youth Diversion Center	This proposal supports community violence intervention/prevention targeting youth and young adults in Minneapolis's East African/Muslim community.	Minneapolis MN	\$1,445
Norman County Sheriff	This proposal is for funding for law enforcement assistance in the rapid recovery of lost or wandering children and adults with cognitive issues such as dementia or autism spectrum disorders using an RFID search and rescue system and a thermal imaging drone.	Norman County MN	\$33

City of Princeton and Mille Lacs County	The City of Princeton receives its 911 calls for service from Mille Lacs County Dispatch located 12 miles from the center of the City. Radio simulcast equipment will boost the signal so that staff responding to emergencies can send and receive information better.	Princeton MN	\$715
City of St. Louis Park	The City of St. Louis Park plans to build and operate a community mental health dispatch center that is a partnership between specially trained members of the police force, local non-profits specializing in mental health response, and a social worker on staff.	St. Louis Park MN	\$2,940
Ramsey County	This proposal will fund necessary replacement and upgrades of technology to ensure the county's emergency and public safety communications networks remain intact and resident and emergency responder safety is protected.	St. Paul MN	\$2,965
Minnesota Third Judicial District - County Attorney Electronic Evidence Collaborative	Collection and analysis of digital evidence has become an important tool in solving crimes, preparing court cases, and preventing the innocent from being wrongfully convicted. This request is for assistance with the collection and analysis of digital evidence.	Third Judicial District MN	\$1,500
Washington County	The Washington County Sheriff's Office (WCSO) requests funding for airboats and a digital evidence management system to support public safety throughout the County.	Washington County MN	\$1,000
City of Woodbury	Funding to support replacing older in-vehicle cameras, body-worn cameras, and an interview room camera system.	Woodbury MN	\$670
